

Day You Went Away

Wendy Matthews

i love this song and i hope that u do too

F **C**
Hey, does it ever make you wonder
Dm **Bb** **F**
what s on my mind
C **Dm** **C**
I was only ever running back to your side
Bb **C** **F** **Dm**
I never cried, I just watched my life go by
Bb **C**
It s just a pack of lies,
F **Bb**
cause you re leaving me behind
F **C**
Why, after this long is there nothing
Dm **Bb** **F**
I ll keep, oh I can shout
C **Dm** **C**
you ll pretend you re falling asleep
Bb **C** **F** **Dm**
I live a lie, yeah, believing that you re mine
Bb **C**
It s just a waste of time
F **Bb**
cause you re leaving me behind
F **C** **Dm**
CHORUS Hey, there s not a cloud in the sky
Bb **F**
It s as blue as your goodbye
C
and I thought it would rain
Bb **F**
on a day like today
C **Dm**
Hey, there s not a cloud in sight
Bb **F**
it s as blue as your blue goodbye
C
and I thought it would rain
Bb **F**
the day you went away
F **C**
Hey, does it ever make you wonder
Dm **Bb** **F**
what s on my mind
C **Dm** **C**

I was only ever running back to your side
