Bb/E

```
Angels Wings
Westlife
(Verse 1)
I would die for you
Ebm
Lay down my life for you
The only thing that means everything to me
Cause when you re in my arms
Ebm
You make me prouder than
    Gm
         F
                            Eb
Than anything I ever could achieve
           Cm
And you make everything that used to seem so big
              Eb
Seem to be so small since you arrived
(Chorus)
              F/B
                       Gm
On angel s winds, an angelical formation
           Bb/E
                      Cm
Angel s wings, like letters in the sky
   Bb F/B
             Gm
Now I know no matter what the question
Love is the answer
    Eb
               F
                        Ebm
                                Bb
It s written on angel s wings
(Verse 2)
   Bb
And I often wonder why,
Ebm
Someone as flawed as I
                                   Eb
                 F
Deserves to be as happy as you make me
So as the years roll by
I ll be there by your side
I ll follow you wherever your heart takes me
          Cm
Cause you make everything that used to be so big
```
