

**As Love Is My Witness**  
**Westlife**

As Love Is My Witness  
(capo 1st position)

**C**  
Once in a lifetime  
**G**  
You look in someone's eyes  
**F** **G**  
And it feels like the world stops turning at once  
**F** **G**  
That's what it felt like for me  
**C** **F**  
I knew right away this day would be  
**Dm7** **C**  
Standing together, believing forever  
**G**  
Is there in our reach

Chorus:

**C**  
As love is my witness  
I swear  
**G**  
I'll be with you till the end  
**F**  
Nothing can tear this love apart  
**G**  
I'll put my hand upon my heart  
**C**  
This is the promise I'll make to you  
**G** **Bb Am**  
Whatever comes we'll see it through  
**Dm7**  
Nothing can break it  
**C** **F**  
This feeling's too strong  
**G** **C**  
As love is my witness

**C**  
We've both known sorrow  
**G**  
We've known heartache  
**F**

When our dreams for tomorrow

**G**

Seem so far away

**C**

But that brought us closer - yeah

**G**

It brought us together

**F**

So that we'd know the real thing
