

**Beautiful Tonight**  
**Westlife**

(Verse 1)

**Dm**

Well I thought I'd seen it all

**C**

From beginning to the end

**A#**

Yeah, I was the great pretender

**Am**

Always alone again

**Dm**

Well a light came shining in

**C**

When you took my breath away

**A#**

Now I know I've waited all my life

**Am**

**C**

To feel what I feel today

(Chorus)

**F**

So tell me I'm dreaming (Oh woah)

**Dm**

Coz I can't hold back these tears I cry

**A#**

**C**

**F**

And you never looked more beautiful tonight (Oh woah)

So if I'm dreaming (Oh woah)

**Dm**

Don't wake me up I'm so alive

**A#**

Wish you could see what I see

**C**

**F**

Through these eyes of mine

(Verse 2)

**Dm**

Now we're standing face to face

**C**

I can't hear the words we're saying

**A#**

This is now and will be forever

**Am**

**C**

In this moment we could stay

(Chorus)

**F**

So tell me Iâ€™m dreaming (Oh woah)

**Dm**

Coz I canâ€™t hold back these tears I cry

**A#**

**C**

**F**

And you never looked more beautiful tonight (Oh woah)

So if Iâ€™m dreaming (Oh woah)

**Dm**

Donâ€™t wake me up Iâ€™m so alive

**A#**

Wish you could see what I see

**C**

**F**

Through these eyes of mine

**F Dm C#**

**F**

So don t wake me up,

**D#**

Don t let me down

**A#**

My heart beats for love

**C#**

And love lifts me higher

**F**

Right into the clouds

**D#**

I m flying so high

**A#**

With tears in my eyes

**C#**

**D#**

And I have never ever

**F**

Felt this alive

**Dm A# C F**

(Chorus)

**F**

So tell me Iâ€™m dreaming (Oh woah)

**Dm**

Coz I canâ€™t hold back these tears I cry

**A#**

**C**

**F**

And you never looked more beautiful tonight (Oh woah)

So if Iâ€™m dreaming (Oh woah)

**Dm**

Donâ€™t wake me up Iâ€™m so alive

**A#**

Wish you could see what I see

**C**

**F**

Through these eyes of mine

**F**

So don't wake me up,  
Don't let me down

**A#**

My heart beats for love

**C#**

And love lifts me higher

**F**

Right into the clouds

**D#**

I'm flying so high

**A#**

With tears in my eyes

**C#**

**F**

And I have never ever

Felt so alive
