when I call you at home and he answers the phone  
**Bm** **G**  
or I get your machine and I don t hear me  
**Bm** **G**  
when I lie in mys bed with the thoughts in my head  
**A**  
when we danced and we sang and we laughed all night

**G** **D**  
Ooh da bop bop baby please don t let me go
