

Every Little Thing You Do
Westlife

G C F G
Hello, let me know if you hear me
C F G
Hello, if you want to be near
Dm
Let me know
C F G
And I ll never let you go

C
Hey love
F G C
When you ask what I feel, I say love
F G
When you ask how I know
Dm
I say trust
C F G
And if that s not enough

C
It s every little thing you do
G
That makes me fall in love with you
F
There isn t a way that I can show you
G
Ever since I ve come to know you
C
It s every little thing you say
G
That makes me wanna feel this way
F
There s not a thing that I can point to
G
Cause it s every little thing you do

C
Don t ask why
F G
Let s just feel what we feel
C
Cause sometimes
F G Dm
It s the secret that keeps it alive
C F G
But if you need a reason why

(Chorus)

C

Is it your smile or your laugh or your heart

F

C

Does it really matter why I love you?

Anywhere there's a crowd, you stand out

F

G

Can't you see why they can't ignore you

If you wanna know

Why I can't let go

C G

Let me explain to you

Dm

That every little dream comes true

G

With every little thing you do

D

It's every little thing you do

A

That makes me fall in love with you

G

There isn't a way that I can show you

A

Ever since I've come to know you

D

It's every little thing you say

A

That makes me wanna feel this way

G

There's not a thing that I can point to

A

Cause it's every little thing you do

Repeat and Fade Out
