

Hey Whatever
Westlife

E **G#** **E** **G#**
Well I can't control the universe cause I'm only a man
E **G#** **D** **A**
And I may read the papers but it won't tell me who I am
E **G#**
And if you really need a new philosophy
E **G#**
Well here's one that makes sense
D **A**
The one I profess

E **G#** **E** **G#**
(I say) Hey Whatever
E **G#**
Let your beauty come alive
D **A**
Let your colour fill the sky
E **G#** **E** **G#**
And say whatever
E **G#**
Why don't you liberate your mind?
D **A**
Let your colour fill the sky

E **G#** **E** **G#**
All the world's a waiting room and we're standing in line
E **G#** **D** **A**
For the answer to the question what makes me smile?
C#m
Don't let them change your story
Cm
Don't let them change your song
Bm **A#m**
Don't let the gurus and philosophers lead you on
A **B** **C#m** **D**
Ah Ah Ah Ah Ah Ah Ah...

Repeat Chorus

E **G#**
It's like taking a seat at the roulette table
E **G#**
And just spinning the wheel
E **G#**
And good or bad you take what comes
D **A**
It don't change how you feel

E **G#**
If you re a champion of science
E **G#**
or are you re a freak show fool?
E **G#** **D** **A**
what cannot be proved can still be true

Chorus (repeat) x 2
