

**No Place That Far**  
**Westlife**

Tuning: 2 steps down

Intro: **C**

(verse 1)

**C** **G**  
I can't imagine any greater fear  
**F** **C**  
Then waking up without you here  
**C** **G**  
And though the sun would still shine on  
**F** **Am**  
My whole world would all be gone  
**G**  
But not for long

(Chorus)

**C**  
If I had to run  
**Dm** **G**  
If I had to crawl  
**C** **Em**  
If I had to swim a hundred rivers  
**Dm** **G**  
Just to climb a thousand walls  
**F** **C**  
Always know that I would find a way  
**Dm**  
To get where you are  
**Dm** **G** **C** **C** **Em** **Dm**  
There's no place that far

(Verse 2)

**C** **G**  
It wouldn't matter why we're apart  
**F** **C**  
Lonely mouths or two stubborn hearts  
**C** **G**  
Nothing short of God above  
**F** **Am**  
Could turn me away from your love  
**G**  
I need you that much

(Chorus)

**C** **Em**  
If I had to run

**Dm**          **G**  
If I had to crawl  
                  **C**                          **Em**  
If I had to swim a hundred rivers  
                  **Dm**                          **G**  
Just to climb a thousand walls  
                  **F**                          **C**  
Always know that I would find a way  
                  **Dm**  
To get where you are  
**Dm**                  **G**                  **C**          **C**          **Em**          **Dm**  
There s no place that far

**D**          **F#m**  
Oh If I had to run (if I had to run)  
                  **Em**          **A**  
If I had to crawl (if I had to crawl)  
                  **D**                          **F#m**  
If I had to swim a hundred rivers  
                  **Em**                          **A**  
Just to climb a thousand walls  
                  **G**                          **D**  
Always know that I would find a way  
                  **Em**  
To get where you are  
                  **A**                  **D**  
That s no place that far  
                  **Em**                  **A**                  **D**  
Baby there s no place that far
