[Verse]

**A** So here we stand

In our secret place

Where the sound of the crowd

Is so far away

And you take my hand

And it feels like home

We both understand

It's where we belong

[Pre-Chorus]

**D**  
So how do I say?

**E**

Do I say goodbye?

**D**

We both have our dreams

**E**

We both wanna fly

**A**

So let s take tonight

**E**

To carry us through

**A D A**

The lonely times

[Chorus]

**E A D**  
I ll always look back as I walk away

**A E**  
This memory Will last for eternity

**A D**  
And all of our tears Will be lost in the rain

**A D A**  
When I find my way back to your arms again

**E F#m E D**  
But until that day You know you are

**A E**  
The queen of my heart

**A**  
Queen of my heart

[Verse]

**A**  
So let s take tonight

And never let go

**E**  
While dancing we ll kiss

Like there s no tomorrow

**A**  
As the stars sparkle down

Like a diamond ring

**E**  
I ll treasure this moment

Till we meet again

[Pre-Chorus]

**D**  
But no matter how far  
                  **E**  
Or where you may be  
                  **D**  
I just close my eyes  
                  **E**  
And you re in my dreams  
                  **A**  
And there you will be  
  
Until we meet

[Chorus]

**E**                  **A**                  **D**  
I ll always look back as I walk away  
                  **A**                  **E**  
This memory Will last for eternity  
                  **A**                                  **D**  
And all of our tears Will be lost in the rain  
                  **A**          **D**          **A**  
When I find my way back to your arms again  
          **E**          **F#m** **E**                  **D**  
But until that day You know you are  
                  **A**  
The queen of my heart

**F#**                  **B**                  **E**  
I ll always look back as I walk away  
                  **B**                  **F#**  
This memory Will last for eternity  
                  **B**                                  **E**  
And all of our tears Will be lost in the rain  
                  **B**          **E**          **B**  
When I find my way back to your arms again  
          **F#**          **G#m** **F#**                  **E**  
But until that day You know you are  
                  **B**  
The queen of my heart

**F#**  
Oh yeah  
  
                  **B**          **F#**  
You re the queen of my heart  
          **B**  
No matter how many years it takes  
**F#**  
I m coming home to you  
**B**  
Oh yeah  
          **F#**

Oh yes you are

**B**
