A **E7**
Some say love it is a river
 D **E** **A**
That drowns the tender reed
 A **E7**
Some say love it is a razor
 D **E** **A**
That leaves your soul to bleed

A **D**
Some say love it is a hunger
 D **E**
An endless aching need
 A **E7**
I say love it is a flower
 D **E** **A**
And you it s only seed

A **E**
It s the heart afraid of breaking
 D **E** **A**
That never learns to dance
 A **E**
It s the dream afraid of waking
 D **A**
that never takes the chance

A **D**
It s the one who won t be taken
 D **A7**
Who cannot seem to give
 A **E7**
And the soul afraid of dying
 D **A**
that never learns to live

A **E7**
When the night has been too lonely
 D **E** **A**
And the road has been too long
 A **E7**
And you think that love is only

D **A**
For the lucky and the strong

A **D** **A7**
Just remember in the winter far beneath the bitter snows

A
Lies the seed

E7
That with the sun's love

D **E** **A**
In the spring becomes the rose
