B **F#7**
Some say love it is a river
 E **F#** **B**
That drowns the tender reed
 B **F#7**
Some say love it is a razor
 E **F#** **B**
That leaves your soul to bleed

B **E**
Some say love it is a hunger
 E **F#**
An endless aching need
 B **F#7**
I say love it is a flower
 E **F#** **B**
And you it s only seed

B **F#**
It s the heart afraid of breaking
 E **F#** **B**
That never learns to dance
 B **F#**
It s the dream afraid of waking
 E **B**
that never takes the chance

B **E**
It s the one who won t be taken
 E **B7**
Who cannot seem to give
 B **F#7**
And the soul afraid of dying
 E **B**
that never learns to live

B **F#7**
When the night has been too lonely
 E **F#** **B**
And the road has been too long
 B **F#7**
And you think that love is only

E **B**

For the lucky and the strong

B **E** **B7**

Just remember in the winter far beneath the bitter snows

B

Lies the seed

F#7

That with the sun s love

E **F#** **B**

In the spring becomes the rose
