Safe

Intro: **G** **D** **A7sus**

D
Hard to find a way to get through

A7sus
It s a tragedy

D
Pulling at me like the stars do

A7sus
You re like gravity

G **A**
Even if the wind blows

G **A**
It makes it hard to believe

CHORUS

D
How ya gonna love

G
How ya gonna feel

Bm
How you gonna live your life

G **Em7**
like the dream you have is real

A **D**
And If you lost your way

G
I will keep you safe

Bm
We ll open up all the world inside

A **G**
I see it come alive tonight

D **A7sus**
I will keep you safe

D
Doesn t even matter to you

A7sus
To see what I can see

D
I m crawling on the floor to reach you

A7sus
I m a wreck you see

G **A**
When you re far from home now

G **A**
Makes it hard to believe
