

The Difference
Westlife

Capo 1st Fret

C

I wake my faith shaken inside

F

Images of you race to mind

Am **F**

Did I forget I meant to tell you something?

C **Am**

Only half til you have to fall

F

Only whole when you re seeing it all

C **F**

Oh you saved something for me

C **F**

Between lost and found

Am **F**

You showed me the difference

C **F**

Between safe and sound

Am **F**

You showed me the distance

C **Am**

Oh I was sliding, safe but I was hiding out

C **F**

Oh I fell I m not down

Am **F**

You showed me the difference

Everything was slipping right through my hands

Hard to find any place to land

Clouds don t cover me where I stand anymore

Only half til you think you lost

Only whole when you re reaching across

You saved something for me

Chorus

Am

You resurrected me

F

Eyes wide open to dream

Am **G** **F** **G**

In scattered pieces when you found me

Chorus
