

When A Woman Loves A Man
Westlife

For the beginners, it s much easier to turn down your guitar strings by 2 half-steps and turn up the chords as I do right here by 2 half-steps. However, I ll just do the original chords, what I said before was just optional, it depends on you. Enjoy and thanks for playing.

VERSE 1:

Bb

When the stars are in her eyes

Gm

And the sun is in her smile

Eb

The only moment in a life

F

That happens the same time

Bb Eb Bb

Is when a woman loves a man

She ll be a mother and a child

Gm

Sacrifice her days and nights

Eb

And no other will exist

F

She ll put her life in every kiss
