Bass comes in with the intro:

C3 - bm3 - C3 - am3 - C3 - bm3 - C3 - am3, just playing the major/minor 3rd and first tones. Then come in with a **C#m**

**C#m - G#m - C#m**

Verse:

**G#m** **C#m** **G#m**  
Don t wanna live. Don t wanna live a life disguised in a lie behind the smile  
**C#m** **G#m**  
Save yourself. I don t pacify, pacify, pacify, ooohhh ohh.  
**C#m** **G#m**  
Don t wanna talk. Don t wanna walk around in circles until we re eye to eye.  
**C#m**  
You find yourself. I have eyes on fire.

Chorus:

**C#m** **G#m**  
This wreck is caving in. Alert the next of kyn.  
**Eb** **G#m**  
It s worthless yet again like we were told.  
Climb: **G#m** -

Verse 2:

**G#m** **C#m** **G#m**  
I gave you all the outs just in case you had any doubt.  
**G#m** **C#m**  
So how does it come about that we could get surrounded?

Chorus 2:

**C#m** **G#m**  
Tomorrow the forecast s black. Runs cold beneath my veins.  
**Eb** **G#m**  
Though it d keep me on the tracks til I be ruined.  
**C#m**  
I tried in all the nights.  
**G#m** **Eb**  
Unforgiven and forgot, for nothing, thanks a lot. Hey, weren t you  
**E** **B** **Ebm** **E**  
Told how brutal life can be?  
**E** **B** **Ebm**  
How it takes all that you can bear to stave defeat?  
**E** **F#**  
You ll be cursed if you re convinced,  
CLIMB: **G#m** -

It won't leave you in despairs.
