```
Ive Got You
Whats Eating Gilbert
What s Eating Gilbert - I ve Got You
Intro
C, F, Am, G, F, Am, G
Verse
C
I, I found my way out
       F Am G
 From the bottom of a barrel
       Δm
              G
No one to take care of me
 Then you came along
          F
                     Am G
 With your smile from ear to ear
                Am
 And you made my heart feel whole again
Chorus
         Αm
 They can hate on me all they want
 Call me a user, say you re too young
           F
 But in the end, I ve got you
And they ve got zip
Verse
No I m not bulletproof but
          Am
 See I can take your cheapshots
                 Am
                        G
 Cause I ve been through a whole lot more
 And know a good thing
        Am
 And I m not letting you go
               Am
 There s so much that they don t know
Chorus
         Αm
```

They can hate on me all they want

```
But in the end, I ve got you
And they ve got zip
Yeah they can start all the rumours they want
Call me a cheater, say that I m scum
But when it s done, I ve got you
And they ve got shit

Final Chorus
Hate on me all they want
                      Am
Call me a user, say you re too young
But in the end, I ve got you
And they ve got zip
                                  G
            Am
```

Call me a user, say you re too young

Yeah they can start all the rumours they want

3
