G **C**
I think I ll write a song with some explicit content
G **C**
So if you don t wanna hear, then shut your ears
G **C**
Cause it s all about the records I have from your band,
G **C**
the ones where you only sing about me.

I know you left your sweater here, the one that was hunter green
G **C**
the one that I m keeping forever, the only thing I liked about being together.
G **C**
It ll be, it s gonna be our song, so you say I m a bitch and I m taking too much
G **C**
But I ve only taken off all your clothes and then I took your heart.

G **C**
I m sorry cause I know in the winter time, you d be less cold with your hand in mine,
G **C**
so I think the only piece of advice would be to get earmuffs for your ears.
G **C**
Maybe you could buy a scarf, all I know is I m done crocheting for you.
G **C**

When the summer rolls around, you ll find some girl from another town.
