The Promise
When in Rome

[Verse 1]

```
C                                          Am
If you need a friend, don t look to a stranger,
               F             C
You know in the end, I ll always be there.

                                               Am
And when you re in doubt, and when you re in danger,
               F             C
Take a look all around, and I ll be there.
```

[Chorus]

```
C
I m sorry, but I m just thinking of the right words to say. (I promise)
Am
I know they don t sound the way I planned them to be. (I promise)
     F
But if you wait around a while, I ll make you fall for me,
C          G          C
I promise, I promise you I will.
```

[Verse 2]

```
C                                            Am
When your day is through, and so is your temper,
               F                 C
You know what to do, I m gonna always be there.
                                      Am
Sometimes if I shout, it s not what s intended.
                   F                  C
These words just come out, with no gripe to bear.
```

[Chorus]

```
C
I m sorry, but I m just thinking of the right words to say. (I promise)
Am
I know they don t sound the way I planned them to be. (I promise)
     F
But if you wait around a while, I ll make you fall for me,
C          G
I promise, I promise you...
```

I m sorry, but I m just thinking of the right words to say. (I promise)
Am
I know they don t sound the way I planned them to be. (I promise)

And if I had to walk the world, that make you fall for me,

I promise you, I promise you I will.
