Tuning: EADGBE

Intro: C, Gm.

Verse:

C Gm A  
You and I spent so many nights  
A# F  
Feeling alone lying side by side  
C Gm A  
I take a last look and I say goodnight  
A# F  
Blow you a kiss and turn out the light  
Am Gm G#  
Guess this time I won t be comin back  
Am D  
I ll leave the key under the welcome mat

Chorus:

F  
It s a little after midnight  
C  
And the windin road ahead looks black  
F  
I m drivin with one headlight  
C  
And the signs are sayin don t turn back  
F  
Tears are fillin up my eyes  
C  
I m tryin to stay between the lines  
F D  
Can t waste another day livin a lie  
G  
I m on Highway 59  
C  
And It s leading to goodbye

Verse:

I see the weepin willow disappear  
In our front yard through the rear view mirror

These country roads that brought me home for years  
Now are taking me away from here

Headin over red mountain pass  
I hope to make Montgomery before I run out of gas

Chorus:

It s a little after midnight  
And the windin road ahead looks black  
I m drivin with one headlight  
And the signs are sayin don t turn back  
Tears are fillin up my eyes  
I m tryin to stay between the lines  
Can t waste another day livin a lie  
I m on Highway 59  
And It s leading to goodbye

Bridge

Two lovers holdin on and wastin time  
Thirsty for love but the wells run dry

I haven t got the bridge cause on their MySpace page I could listen to only 2  
minutes  
the song. Sorry.
