

**My Heart Is Broken
Whiskeytown**

D

My heart is broken

G D

My love is gone

A

I live without you

G D

Your pillow cold

D

I am forsaken

G D

I can't go on

A

My heart is broken

G D

My love is gone

A

If I hadn't cheated

D

While you were gone

A

The well that we'd been drinkin' from

G

Wouldn't a dried

A

And turned cold

D

My days are empty

G D

My nights are long

A

Five cups of coffee

G D

For the years gone wrong

A

If I hadn't cheated

D

While you were gone

A

The well that we'd been drinkin' from

G

Wouldn't a dried

A

And turned cold

D

My days are empty

G **D**

My nights are long

A

My heart is broken

G **D**

My love is gone

G **D**

My love is gone
