Sittin Around (a.k.a. Bet You d Want Me To)

Forever Valentine

Capo 5th fret chords are C, some kind of augmented F not sure exactly what itâ€™s called, and G and bar chord F . the augmented f is played with the index finger on first fret low E second fret g string and 1st fret b string. hope this helps.

C

Well, Iâ€™ve been sittinâ€™ around and wondering

F

Wondering what I should do

C

Got nighttime coming from the down the street

F

My daylightâ€™s turning blue

G

And I canâ€™t think of anything

F

Anything to say to you

G

And I bet if you could wish for anything

F

I bet youâ€™d want me to

G

C

Yeah, youâ€™d want me to

C

Well, Iâ€™ve been sittinâ€™ around and mending things

F

Threading the needle and smoke through the spool

C

And Iâ€™ve been sittinâ€™ around pretending things

F

Pretending things were cool

G

And I canâ€™t think of anything

F

Anything to say to you

G

And I bet if you could wish for anything

F

I bet youâ€™d want me to

G

C

Yeah, youâ€™d want me to

C

Well, Iâ€™ve been sittinâ€™ around and wondering

F

Wondering what I should do

C

Got daytime coming from the down the street

F

My nighttimeâ€™s turning blue
