

**Paint Yourself
White Denim**

E

You re always looking at yourself

A **E**

Deciding what you do not want to see

E

You paint yourself with light at night

A **E**

You rewrite your history

E

The apartment that you got

A

Has got no fire escape

E

What will you do?

B

What will you do?

E

And the job that you ve got

A

Has made you work so hard

E

You don t know who you are

B

You don t know who you are

A **B**

You say that you re taking nothing for granted

E

But your plans don t change

A

B

And you re hoping that everything s easier

E

By the time you reach your old age

A

I m trying to cool you like a fan

B

E

But you re making it so obvious I can t

A

And there s always something

B

E

For you to get over when I disappear away

A E A E A E

E

Your heart is tied up in a joke

A

E

And it s all whips, rums, and rain

E **A**

All the titles you so casually gave away

E

Will come back and be your name

E

You did forget your memory

A

E

Of all you promised you just yesterday
