

**Regina Holding Hands**  
**White Denim**

Artist: White Denim

Album: Fits (2009)

Instrument: Acoustic Guitar

This is the intro to the song Regina Holding Hands by White Denim. I ve only managed to  
out the opening acoustic part. If you listen to the song  
this part lasts up to about 1:17. After that the song structure changes a little  
bit.  
to the song for the strumming it s fairly easy to pick up.

Anyone who can work the second part (after 1:17) or the second guitar part to  
the song  
post it.
