

**Regina Holding Hands**  
**White Denim**

Artist: White Denim

Album: Fits (2009)

Instrument: Acoustic Guitar

This is the intro to the song Regina Holding Hands by White Denim. I ve only managed to out the opening acoustic part. If you listen to the song this part lasts up to about 1:17. After that the song structure changes a little bit. to the song for the strumming it s fairly easy to pick up.

Anyone who can work the second part (after 1:17) or the second guitar part to the song post it.
