

## Regina Holding Hands White Denim

Artist: White Denim

Album: Fits (2009)

Instrument: Acoustic Guitar

This is the intro to the song Regina Holding Hands by White Denim. I've only managed to  
out the opening acoustic part. If you listen to the song  
this part lasts up to about 1:17. After that the song structure changes a little  
bit.  
to the song for the strumming it's fairly easy to pick up.

Anyone who can work the second part (after 1:17) or the second guitar part to  
the song  
post it.
