## Change

## White Lies

С Em G I m going to miss the way I missed you. Em G С But I m okay if you re okay. G C  $\mathbf{Em}$ I ve been lonely when I m with you. C Em G But now I m lonely all the same. Am Em If you need to find yourself D C in the arms of someone else Em I wish you on your way G but my love CEMG I ve never been too good a change C Em G I ve never been too good a change G С Em I m gonna miss the way I kissed you. Em G С But I ll be brave if you ll be brave С Em G and this is only the beginning Em G C Although it feels just like the end Em Am If you need to take some time C D I d surrender, love of mine. Em I wouldn t make you stay G But my love, CEMG I ve never been too good a change (x8)
