

**Death**  
**White Lies**

Artist: White Lies  
Song: Death  
Album: To Lose My Life  
Year: 2009

Tabbed by James White, send any corrections, suggestions  
or questions to: Jameswhite84@hotmail.co.uk

Is a chord version you could play all the way through as opposed to what Harry  
plays on guitar which is very little. It follows the bass line, the piano and  
the even just the vocals at parts.

Intro (Repeat X4)

**G** **D** **C** **E**

Verse

**G** **D** **C** **E**

I love the feeling when we lift up

**G** **D** **C** **E**

Watching the world so small below

**G** **D** **C** **E**

I love the dreaming when I think of

**G** **D** **C** **E**

The safety in the clouds out my window

**G** **D** **C** **E**

I wonder what keeps us so high up

**G** **D** **C** **E**

Could there be a love beneath these wings

**G** **D** **C** **E**

If we suddenly fall should I scream out

**G** **Bm**

Or keep very quite and cling to my mouth as I m crying

**D**

So frightend of dying

**G**

Relax yes Iâ€™m trying

**A** **C** **G**

But fears got a hold on me

**Bm** **Em**

Yes, this fears got a hold on me

**Bm** **D** **G**

Yes, this fears got a hold on me

**G** **Em** **C** x2

**G** **Em** **C**

I love the quite of the night time

**G** **Em** **C**

When the sun in the deathly sea

**G** **Em** **C**

I can feel my heart beating as I speed from

**G** **Em** **C**

Then sense of time catching up with me

**G** **Em** **C**

The sky set out like a pathway

**G** **Em** **C**

But who decides which route we take

**G** **Em** **C**

As people drift into a dream world

**G** **Em**

I close my eyes as my hands shake and when I see a new day

**D**

Who s driving this anyway

**G**

I picture my own grave

**A** **C** **G**

Cause fears got a hold on me

**Em** **Em**

Yes this fears got a hold on me

**Em** **D** **G**

Yes this fears got a hold on me

**Em** **Em**

Yes this fears got a hold on me

**Em** **G**

Yes this fears got a hold on me

**C** **Bm** **G** **Em**

Floating neither up or down I wonder when I ll hit the ground

**C** **Bm**

Will the earth beneath my body shake

**G** **Em**

And cast your sleeping hearts awake

**C** **Bm**

Could it tremble stars from moonlit skies

**G** **Em**

Could it drag a tear from your cold eyes

**C** **Bm**

I live on the right side I sleep in the left

**C**

Thats why everythings got to be love or death

Outro (Repeat x8)

**G** **D** **C** **E**

Yes this fears got a hold on me
