

**Hold Back Your Love**  
**White Lies**

[Intro] **G Em C**

**G**

I go out, right out

**Em**

For a heart in the heartless town

**C**

I'd come unwell

**G**

And this love, my love

**Em**

Isn't all that I thought it was

**C**

Am I no one, without someone to need me

**C**

Hold back your love

**Am**

you know that I've had my doubts

**Em**

Wanna see what I feel without

**D**

Every feeling is streaming out, now you know that I need it

**C**

Hold back your love

**Am**

You know that I've had my doubts

**Em**

Wanna see what I feel without

**D**

Every feeling is streaming out, now you know that I need it

**G**

**G**

I go out, right out

**Em**

With the world nearly falling down

**C**

I go on out

**G**

And I saw, no love

**Em**

A town that's guilty of breaking more

**C**

No one adored, trying to reason and pleading

**C**

Hold back your love

**Am**

you know that I ve had my doubts

**Em**

Wanna see what I feel without

**D**

Every feeling is streaming out, now you know that I need it

**C**

Hold back your love

**Am**

You know that I ve had my doubts

**Em**

Wanna see what I feel without

**D**

Every feeling is streaming out, now you know that I need it

**G**

**G**

**D**

If I m dreaming where do I go

**G**

**D**

Lost my feeling, so how will I know

**G**

**D**

If I m dreaming where do I go, (hold back your love)

**G**

**D**

Lost my feeling, so how will I know, (hold back your love)

**G**

**D**

If I m dreaming where do I go, (hold back your love)

**G**

**D**

Lost my feeling, so how will I know, (hold back your love)

**C**

Hold back your love

**Am**

Hold back your love

**Em**

If you hold back your love

**D**

how will I know?

**C**

Hold back your love

**Am**

Hold back your love

**Em**

If you hold back your love

**D**

How will I know?

**C**

Hold back your love, You know that I ve had my doubts

**Am**

Hold back your love, Wanna see what I feel without

**Em**

If you hold back your love, Every feeling is streaming ou

**D**

How will I know? Now you know that I need it
