

**Taxidermy**  
**White Lies**

Intro: **Am F C**

**Am**

Hang me up on your wall above the coal fire

**F**

Keep your promises

**C**

Keep your promises

**Am**

Hang me up on your wall you re such a cold liar

**F**

Do what your father says

**C**

What your father says

**Am**

I still remember your voice it turns my blood cold

**F**

The kids are fast asleep

**C**

Keep them fast asleep

**Am**

You should still haunts these walls

**F C**

Like Taxidermy

**Dm**

**F**

There s no kiss of life so baby don t pretend

**Am**

With your heart in your throat and a gun to your head

**Dm**

**F**

**Am**

You can burn the money in the fireplace

**Dm**

**F**

You keep on telling white lies to the little kids

**Am**

I think it s time they knew just what it means to live

**Dm**

**F**

**Am**

You can burn your parents in the fireplace

**Am**

I saw you run from the cold out of my arms

**F**

Your mother cried for years

**C**

She cried for years

**Am**

I saw you run through the cold it put ice in my heart

**F**

Now tell me all your fears

**C**

I ll be your greatest fear

**Am**

You couldn t cut the smile from my face

**F**

Cause we re so proud today

**C**

We re so proud today

**Am**

Our eyes will haunt these walls

**F**            **C**

Like Taxidermy

**Dm**

**F**

There s no kiss of life so baby don t pretend

**Am**

With your heart in your throat and a gun to your head

**Dm**

**F**

**Am**

You can burn the money in the fireplace

**Dm**

**F**

You keep on telling white lies to the little kids

**Am**

I think it s time they knew just what it means to live

**Dm**

**F**

**Am**

Now burn your parents in the fireplace
