(USE THIS CHORD SEQUENCE AND YOU WILL NOT GO WRONGGG!!)

To lose My Life

**D#** **A#**  
He said to lose my life or lose my love,  
**G#** **D#** **C#**  
That s the nightmare I ve been running from.  
**D#** **A#**  
So let me hold you in my arms a while,  
**G#** **D#** **C#**  
I was always careless as a child.  
**D#** **A#**  
And there s a part of me that still believes,  
**G#** **D#** **C#**  
My soul will soar above the trees.  
**D#** **A#**  
But a desperate fear flows through my blood,  
**G#** **D#** **C#**  
That our dead loves buried beneath the mud.

(CHORUS)

**D#** **C#**  
Let s grow old together,  
**A#**  
And die at the same time.  
**D#** **C#**  
Let s grow old together,  
**A#**  
And die at the same time.

(THE REST OF THE SONG FOLLOWS THIS STRUCTURE)

I said I ve got no time I have to go,  
And I was more right then now I ll ever know.  
He said my heart is faint, will minds regret,  
And left him crying next to the chapels steps.

Let s grow old together,  
And die at the same time.  
Let s grow old together,  
And die at the same time.
