

Broken Heart
White Lion

B **A**
Here I stand, all alone
B **A**
Trying to fight the pain from a broken heart
B **A**
Why she left me? I don't know
B **A**
It really doesn't matter anymore
G **D** **A** **D-Db-B-G**
I thought our love could last forever
D **A**
But here I stand lost and all alone

Chorus:

B-G-D-A **G** **A**
There is life even after a broken heart
B-G-D-A
You can fight
G **A**
the pain from a broken heart, broken heart

Start a new day, but not alone
I'm gonna break away this broken heart
I'll meet a woman. I'm gonna take her home
Where I'll pick all (up?) the pieces and start all over again
I know that life will be much better
Cause know the sun will shine again
You baby I know

Chorus x1

There is life even after a broken heart, broken heart
You can fight
the pain from a broken heart, broken heart

(Guitar solo)

I know that life will be much better
Cause know the light will shine again
You baby I know... baby I know

There is life even after a broken heart

Chorus x2

There is life even after a broken heart, broken heart
You can fight
the pain from a broken heart, broken heart
