**G**

Are you cryin tonight?  
Are you Feelin alright?  
I ll tell the world that you are,

**C**

Down on your luck

**G**

You were One of the kind  
One who d never give in  
Even when they put a price

**C**                   **D**

on your head

**Em**           **D**           **C**

Has anyone heard the tales you tell

**Em**           **D**           **C**

Or seen the scars you wear

**Em**           **D**           **C**

Did anyone speak up when you fell

**C**                   **D**

Does anybody care

**G**                   **D**

Rise again little fighter

**Em**                   **D**   **C**

And let the world know the reason why

**G**                   **D**

Shine again little fighter

**Em**                   **D**   **C**

And don't let it ever end the things to you

**G**

And you were one with a cause,  
And a reason to be  
You were a fighter for peace

**C D**

On this earth

**G**

And you were never afraid  
You put your life on the line  
And you were always alone

**C D**

Out on the sea

**Em D C**

Without a weapon in your hand

**Em D C**

You came to fight a war

**Em D C**

They took your life, but didn't know

**C D**

That you would never die

CHORUS

**D C Bm Am**

**D C Bm Am**

Are you feelin' alright

**Em C Bm Am**

Cause I care

**Em C Bm Am**

SOLO

**A F A F**

**C D Bm Am G**

**G**

Run along, little fighter  
Oh, cause I was there beside you  
Never stop believin', so rise  
Rise, rise

CHORUS

**G D**

Rise again little fighter

(Don't stop believin')

**Em D C**

And let the world know the reason why

**G D**

Shine again little fighter  
(and keep on movin)

**Em**                      **D**                                      **C**  
And donâ€™t let it ever end the things to you

**D**                                      **G**  
Yeah, donâ€™t let it ever end the things to you
