D/F#  G A D

[Verse]

D/F#                G
I know that she s always
Em              A
   there when I need her loving
D/F#          G
I know that I never
Em              A
   told her how much I love her
D/F#          G
   I see her face before me
Em              A
   I look in her eyes
     G         D
just wondering why
A   G      D
she doesn t know
A   G       D  G
she doesn t know
     A
she doesn t know

[Chorus]

D                D/F#              G
   you re all I need beside me girl
              A              D
you re all I need to turn my world
              D/F#              Em
you re all I want inside my heart
              A                G   A
you re all I need when we re apart
```
