

Rudie Fails Acoustic
White Rabbits

This is what Stephen and Gregory, or at least just Gregory, are playing on their guitars in this acoustic rendition of the song:

If you get bored and want to mix it up a bit, where they continue playing A after the first chorus and at the end while the second guitar gets something to do, you can play the second guitar's bit and play:

```
E :-----|
B :----(9x)-----|
G :-----6----|
D :--7-----6----|
A :--7-----4----|
E :--5-----|
```
