

Dont Fade Away
Whitesnake

Tom :A9

Intro:A9

A **D**
As I stand at the crossroad,
Bm **F#m**
I see the sun sinking low...
A **D**
With my cross of indecision,
Bm **F#m** **F#m9**
I can t tell which way to go...
A **D**
Now I have seen the seven wonders
Bm **F#m**
And I have sailed the seven seas,
A **D**
I ve walked and talked with angels,
Bm **F#m** **E/G#**
And danced all night with gypsy queens...
D/F#
All in all it s been a rocky road,
G **D/F#** **A**
Twists and turns along the way...
E/G# **D/F#**
But, I still pray for tomorrow,
Bm **D**
All my hopes, my dreams
E **A** **A9**
Don t fade away... Don t fade away...
A **D**
I have painted many portraits,
Bm **F#m**
Memories of love and pain,
A **D**
Though cut down by life s deceptions
Bm **F#m** **E/G#**
I found the strength to start again...
D/F#
All in all it s been a rocky road,
G **D/F#** **A**
Twists and turns along the way...
E/G# **D/F#**
But, I still pray for tomorrow,
Bm **D**
All my hopes, my dreams
E **A** **E**
Don t fade away... Don t fade away...
