Lyrics and Chords

(With the main part)

I was born under a bad sign	I always end up crying
Let out in the cold	A fool for your loving no more
I m a lonely man who knows	I ll be a fool for your loving no more
Just it means	(BRIDGE)
to lose control	
	(With the main part)
but I took all the heartache	I m tired of hiding my feelings

and turned into the shame
Now I m movin movin on
and I can t take the blame

| You left me lonely for too long
| I gave my heart and you tore it apart
| Oh baby you done me wrong

(With part 2)

(With part 2)

I know I ve done all I can
A hard loving woman like you

| Don t come running to me
| I know I ve done all I can

| Just makes a hard loving man
