

One Of These Days
Whitesnake

D#m **F#**
I ve been thinking about the good times
B
Gathering souvenirs
G#m
Of the days when we were on
F# **B**
Before the love was gone

D#m **F#**
Those incorfortable compromises
B
Almost ended in bitter tears
G#m
Taking the love away
F# **B9**
Leaving nothing more to say

F#
But it s alright
G#m **C#**
I ll be there one of these days
G#m **B9** **F#**
And leave it all behind, in one of these days

D#m **F#**
String of broken promises
B
An eternity of pain
G#m
Making enemies of desire
F# **B9**
Sufocated all the fire

D#m **F#**
But still I miss your sweet breathe
B
Your kisses on my face
G#m
And all the love is gone
B9
The memory lingers on

F#
But it s alright
G#m **C#**
I ll be there one of these days

G#m

B9

I ll be there one of these days

The queen of mistery
