

**A Quiet Place**  
**Whitney Houston**

The song A quiet place from Whitney Houston with her mothers choir from a tv-show.

**C#**

There s a quiet place

**C#                      Ebm              G#    C#**

where I can talk to the Lord

**Bbm              Fm      Bbm**

There s a quiet place

**G#                              Eb7              G#**

where I can listen to the Lord

**G#    G#7    C#**

It s close by, it s not far away

**C#                              F#**

And He will hear our request

**Eb                              F#    G#7**

and that quiet place is here

**C#                              F#    G#    C#**

and in my heart

There is a quiet place

where I can talk to the Lord

And there s a quiet place

where I can listen to His glory

He s close by, not very far away

and that quiet place is here in my heart
