

**Where Do Broken Hearts Go**  
**Whitney Houston**

[Verse 1]

**C** **Am**  
I know it s been some time, but there s something on my mind,  
**F** **Dm** **G**  
you see I haven t been the same since that cold November day.  
**C** **Am**  
We said we needed space, but all we found was an empty place,  
**F** **Dm** **G**  
and the only things I learned is that I need you desperately.

[Hook]

**Em** **Am** **F** **Dm** **G**  
So here I am and can you please tell me,

[Chorus]

**C** **Em** **F** **C**  
Where do broken hearts go, can they find their way home,  
**F** **C** **F** **G**  
back to the open arms of a love that s waiting there?  
**C** **Em** **F** **C**  
And if somebody loves you, won t they always love you?  
**F** **C** **Dm** **G** **C**  
I look in your eyes and I know that you still care for me.

[Verse 2]

**C** **Am**  
I ve been around enough to know that dreams don t turn to gold,  
**F** **Dm** **G**  
and that there is no easy way, no, you just can t run away.  
**C** **Am**  
And what we had was so much more than we ever had before,  
**F** **Dm** **G**  
and no matter how I try, you re always on my mind.

[Hook]

**Em** **Am** **F** **Dm** **G**  
So here I am and can you please tell me,

[Chorus]

**C** **Em** **F** **C**  
Where do broken hearts go, can they find their way home,  
**F** **C** **F** **G**  
back to the open arms of a love that s waiting there?  
**C** **Em** **F** **C**  
And if somebody loves you, won t they always love you?  
**F** **C** **Dm** **G** **C**  
I look in your eyes and I know that you still care for me.

[Bridge]

**F** **Em** **F** **C**  
And now that I am here with you, I ll never let you go,  
**G#** **D#** **G** **G7**  
I look into your eyes and now I know, now I know

[Chorus]

**C** **Em** **F** **C**  
Where do broken hearts go, can they find their way home,  
**F** **C** **F** **G**  
back to the open arms of a love that s waiting there?  
**C** **Em** **F** **C**  
And if somebody loves you, won t they always love you?  
**F** **C** **Dm** **G** **C**  
I look in your eyes and I know that you still care for me.
