

**Take A Look**  
**Wiches**

Da Wiches - Take A Look:

Da wiches (or The wiches) Is a small, but GREAT band in Denmark, The songs they play and sing are Awesome...

1. Vers:

**Am**                    **F**  
Many years have past  
          **C**                    **E**  
But none of them so fast  
          **Am**                    **F**  
That you can t remember them  
**C**                            **G**  
You hated your youth  
          **Am**                    **F**  
And I don t understand  
          **C**                    **E**  
why you didn t do a thing  
**Am**    **F**  
Everyday in school  
          **C**                    **G**  
They called you a fool

Pre-omkvÃ|D

**Am**                    **F**  
You were the loser  
**C**                            **E**  
You were their little slave  
**Am**                    **F**                    **C**            **G**  
You were what everybody hated  
**Am**    **F**                    **C**                    **E**  
So I only have one thing to say  
**Am**                    **F**                    **C**            **G**  
So listen carefully to me

OmkvÃ|D

**A5**  
Take a look in the mirror  
**F5**  
Take a look at the mirror  
**C5**  
Take a look at the mirror  
**E5**  
Take a look...

**A5**

Please look in the mirror

**F5**

God, look in the mirror

**C5**

Please do what I say:

**G5**

Take a look...

**Am** **F**

Just look at your eyes

**C** **E**

So pretty, so blue

**Am** **F**

Don't listen to them

**C** **G**

There's nothing wrong with you

**Am** **F**

Try listening to yourself

**C** **E**

Your voice is very fine

**Am** **F**

It's filled with great knowledge

**C** **G**

Right behind

Pre-omkvã|D

**Am** **F**

You were the loser

**C** **E**

You were their little slave

**Am** **F** **C** **G**

You were what everybody hated

**Am** **F** **C** **E**

So I only have one thing to say

**Am** **F** **C** **G**

So listen carefully to me

Omkvã|D

**A5**

Take a look in the mirror

**F5**

Take a look at the mirror

**C5**

Take a look at the mirror

**E5**

Take a look...

**A5**

Please look in the mirror

**F5**

God, look in the mirror

**C5**

Please do what I say:

**G5**

Take a look...

Bridge:

**F G# A# C# X4**

(after 2 gange kommer trommen rytmen ind)

**F G# A# C#**

Maybe if you were fat

**F G# A# C#**

I could understand

**F G# A# C#**

But you got a body

**F G# A# C#**

That many doesn't have

**F G# A# C#**

Everyday I saw you

**F G# A# C#**

You were so sad

**F G# A# C#**

And I didn't understand

**F G# A# C#**

Why you were that

**F G# A# C#**

No I don't

**F**

understand,

**G#**

understand

**A#**

}x2

understand

**C#**

understand

Omkværd:

So

**A5**

Take a look in the mirror

**F5**

Take a look at the mirror

**C5**

Take a look at the mirror

**E5**

Take a look...

**A5**

Please look in the mirror

**F5**

God, look in the mirror

**C5**

Please do what I say:

**G5**

Take a look...

**A5**

Take a look in the mirror

**F5**

Take a look at the mirror

**C5**

Take a look at the mirror

**E5**

Take a look...

**A5**

Please look in the mirror

**F5**

God, look in the mirror

**C5**

Please do what I say:

**G5**

Take a look...

Da wiches Rock!!!! I love you guys...
