Well, we got a party goin on many spirits strong
Ain t preacher just a happy to meet ya
Half a bottle neath the bed keep our spirits fed
My hat s off to you, to you and you

And now our brave friends, too,

And a broom and a radio and a twistin out a dos-e-do
Brand new day, the whole world s goin
Whole room s goin so

Just now, don t hesitate (hesitate)
Oh, taste the morning break (morning break)
Sweet, sweet, young honeycomb (honeycomb)
On, now, now, now just like home (just like home)
