

Glory

Widespread Panic

| D C G F | G C Bb F | D C G F | G C Bb F |

song begins with an Em and touches of Bm and D

Verse 1:

D C G F G C Bb F
Tonight every word will be spoken easy
D C G F G C Bb F
All our stories lead on to fortune and fame
D C G F G C Bb F
Rack em up and shoot, but cue ball is missing,
D C G F G C Bb F
By tomorrow though, we ll all play different games

Chorus:

A B* C* B* A* * = single notes on G-string
Anytime we dance
C G A B* C* B* A* C -> G
Takes us closer to glory

Verse 2:

The blue jay flew a little to low down today
Now that kitty-cat s finally purring out smiles
Only cry for so long til you re just watering stones
Go full circles crawling all those last miles

Chorus:

Anytime we dance takes us closer to glory
Anytime we love brings us closer

Jam over Em -> D -> G -> C -> Em (x2)

Intro. groove for a couple measures

Verse 3:

Our lips just moved closer than ever
To naming the feelings we ve been made of
for all these years
Cliches are frayed teeth trying to feed a hungry old soul
Words of love, though, will bite back all of those tears

Chorus:

Anytime we dance takes us closer to glory
Anyway we make love
Anyway we love
Take us closer to glory
Anytime we dance
