Intense Impossible (\*not entirely\* ;) instrumental section:

| / / / / | / / / / | (12x)  
**A Bb B C**

(Main Theme)

(Verse Chords three times through)

Change rhythm to sort of a swing feel:

|--3-----5--|  
|--6-----7--|  
|--4-----5--| I'm pretty sure about the G7, and  
|--3-----7--| the D thing is probably close.  
|--5-----5--|  
|--3-----|  
**G7 D\***

| / / / / | / / / / | (4x)  
**G7 D\***

| / / / / | / / / / | / / / / |  
**D\* C**

| / / / / | / / / / | / / / / |  
**B Bb**

| / / / / | / / / / | (4x)  
**G7 D\***

| / / / / | / / / / | / / / / | / / / / | / / / / |  
**D\* C B**

Strum the following in an 8th note pattern:

| / / / / | (8x)  
**Bb C Bb C**

| / / / / | (4x)  
**E F E F**

| / / / / | (4x)  
**Bb C Bb C**

| / / / / | (4x)  
**E F E F**

| / / / / | (4x)  
**Bb C Bb C**

Back to swing part:

| / / / / | / / / / | (4x)  
**G7 D\***

| / / / / | / / / / | / / / / | / / / / | / / / /  
**D\* C B Bb**

I play metal style barre chords (bottom 3 notes) for all the chords except where they are written out.
