Verse 1:

**D** **C** **D** **C**  
Lilly likes Beatles songs  
**D** **C** **C** **C**  
The words are off, but they don t feel that wrong  
**D** **C** **D** **C** **D**  
She came in through the bedroom window like a blue girl  
**C** **D** **C**  
Like a blue girl, like a blue girl

Verse 2:

Never has to try too hard  
Her whispered words could mend broken hearts  
Her sundress shines through a hurricane  
Making all boys squeal like swine before pearls

Chorus:

**D** **C** **D** **C**

Hey, little Lilly,

**D C D C**

Don't believe everything you see

**D C D C**

Hey, little Lilly,

**D C D C**

Don't believe everything you see

**G G**

Round and round and round she goes

**A G**

Like a sweetheart's curls at the movie show

**E D**

Lilly leans back in the very last row

**F A D**

The lights go low, the show goes on

Verse 3:

Even schoolgirls like her way

Oh, marry the preacher, you'd make a little angel someday

Silent as a child when the first snows fall

Perfect player in anyone's own little world

(Chorus)

Jam over main groove

**D > A > E > E**

Back to main groove

(Repeat Verse 1)

It's only real if you believe (Hey little Lilly)

It's only real if you believe (Hey little Lilly)
