Verse 1:

**A**  
Used to ride the highway

**G** **A G**  
I used to know where I was going

**A** **G** **A G**  
Now this shady dirt road is feelin cool beneath my feet

**A**  
Used to ride on

**G** **A G**  
To get to where I was going in a day

**A**  
Now I ve got to stop

**G**  
And go and stop and go along the way

Verse 2:

Was a fool to waste my time  
 Just searchin my mind  
 But the more I find  
 The more I find the time to search  
 Used to ride on  
 To get to where I was going in a daze  
 And now I ve got to stop  
 And go and stop and go along the way
