

Gun Shy
Widowspeak

Gun Shy by Widowspeak

From their 2011 self titled debut album. These are just the chords that she plays, not the lead stuff that accompanies it.

Tuning: Standard

NOTE: Play all chords as barre chords except for the E, which is played open.

Intro:

C# A E

A E

C#

What you were, what it was

A E

You were fixing to get lost

C#

I tried to tame you

A E

It wasn't long till you had taken off

B F# A G#

Lightly, I was on your mind

B F# A G#

Lonely on the road at night

C#

You were still the wild one

A E

But what is it you are running from?

C#

A scared life

A E

You re staring down the barrel of a gun

C#

No pistol could get you

A E

No rifle could shoot fast enough

C#

Some try to love you

A E

But it s never long before you shake them off

B F# A G#

Lightly, I was on your mind

B F# A G#

Lonely on the road at night

B F# A G#

Lights so low, a glare in your eyes

B F# A G#

Jump the gun and you were too shy

B F# A G#

Lightly, I was on your mind

B F# A G#

Lonely on the road at night

B F# A G#

Lights so low, a glare in your eyes

B F# A G#

Jump the gun and you were too shy

C# A E

A E
