Gun	Shy
Wido	wspeak

Gun Shy by Widowspeak

From their 2011 self titled debut album. These are just the chords that she plays, not

the lead stuff that accompanies it.

Tuning: Standard

NOTE: Play all chords as barre chords except for the E, which is played open.

Intro:

C# A E

ΑE

C#

What you were, what it was

A E

You were fixing to get lost

C#

I tried to tame you

A E

It wasn t long till you had taken off

B F# A G#

Lightly, I was on your mind

B F# A G#

Lonely on the road at night

C#

You were still the wild one

A E

C# A E

ΑE
