Puritan by Widowspeak

Opening track from the band s 2011 self titled debut. Couldn t make out all the lyrics, but I tried to write down what I could. I didn t bother tabbing some of the lead solo stuff in the middle of the song, but these chords are correct.

Tuning: Standard

NOTE: E is the only chord in the song that is played open; the rest are all barre chords, as indicated.

Intro:

```
e |-----|
B |-----|
G |-----|
D |-----|
A |-----4-----|
E |-0-0-0-0-0-0-0-0-0-5-4-----|
```

```
e |-----|
B |-----|
G |-----|
D |-----6-----6-----|
A |-----7-7-----7-7-----|
E |-4/5-5-5-5-5-5-5-5-5-4/5-5-5-5-5-5-5-5-5-----|
```

Four hour drive
Strange world outside
Shattered to see
The sun go down

B11 **A**

```
e |--7---        --5----|
B |--7---        --5----|
G |--8---        --6----|
D |--9---        --7----|
```

A|--9--- --7----|
E|--7--- --5----|

B11 A
Don t know ourselves

B11 A
In this hollow town

Then play this:

E (open) followed by **A**”

E E E E E E E / AA

If you have two guitarists you can continue play this progression over the top of the following verses (which just alternate between an E and A).

E
So charmed, the rich in power

A
Puritans had all the power

E
Show them how their eyes were blue

A
Tell me I ll stay with you

B11 A
Always waiting

B11 A
And you re fading, fading out

E
So I looked my Sunday best

A
Still inside a devil s dress

E
Tall, dark ... (?)

A

Like the time they stood (?)

B11 A

I was looking

B11 A

Puritans watching

B11 A

I, I was watching, watching out

Resume **E / A** progression and end the song on the **E** chord.
