Tuning: Standard

[D]The ashtray says
You were up all night
When you [G]went to bed
With your [Gm]darkest mind

[D]Your pillow wept
You covered your eyes
And you [G]finally slept
While the [Gm]sun caught fire

[D]You ve changed

[D]We fell in love
In the key of C
We [G]walked along
[Gm]Down by the sea

[D]You followed me down
The neck to D
[G]We fell again
[Gm]Into the sea

[D]You ve changed
[G]Oh, you ve [D]changed

[D]Maybe all I need is a shot in the arm
[D]Maybe all I need is a shot in the arm
[D]Maybe all I need is a shot in the arm
[G]Maybe all I need is a shot in the arm
[G]Maybe all I need is a shot in the arm
[G]Maybe all I need is a shot in the arm

[D]Something in my veins, bloodier than blood
[D]Something in my veins, bloodier than blood
[D]Something in my veins, bloodier than blood
[D]Something in my veins, bloodier than blood

[D]The ashtray says
You were up all night

When you [G]went to bed
With your [Gm]darkest mind

[D]You ve changed

[G]Oh, you ve [D]changed

[D]What you once were isn t what you want to be anymore
