Tuning: Standard

[Eb]The ashtray says
You were up all night
When you [G#]went to bed
With your [G#m]darkest mind

[Eb]Your pillow wept
You covered your eyes
And you [G#]finally slept
While the [G#m]sun caught fire

[Eb]You ve changed

[Eb]We fell in love
In the key of C
We [G#]walked along
[G#m]Down by the sea

[Eb]You followed me down
The neck to D
[G#]We fell again
[G#m]Into the sea

[Eb]You ve changed
[G#]Oh, you ve [Eb]changed

[Eb]Maybe all I need is a shot in the arm
[Eb]Maybe all I need is a shot in the arm
[Eb]Maybe all I need is a shot in the arm
[G#]Maybe all I need is a shot in the arm
[G#]Maybe all I need is a shot in the arm
[G#]Maybe all I need is a shot in the arm

[Eb]Something in my veins, bloodier than blood
[Eb]Something in my veins, bloodier than blood
[Eb]Something in my veins, bloodier than blood
[Eb]Something in my veins, bloodier than blood

[Eb]The ashtray says
